## Message from the Chair

As 2009 comes to an end and 2010 approaches, this is a perfect time to talk with all of you about what the Party has done this year and our plans for 2010. At our recently held Central Committee meeting, the County Party hired Jeremy Slaughter as our full time Executive Director. Jeremy brings a wealth of political experience to this position and will allow us to become more professional and build the necessary infrastructure to maintain our momentum from 2008 into 2010 and beyond. You can view articles in [The Salt Lake Tribune](#) and [Deseret News](#).

We have also begun planning for our mass meetings on March 23<sup>rd</sup> where we will elect new precinct officers that are the backbone of our organization. In order for us to be successful across the county, we need you to attend these meetings and run for these positions. The Salt Lake County Democratic Party is only as strong as our volunteers.

Throughout the Holiday Season, we are encouraging our Precinct Leaders to visit their neighbors and get to know each other. As part of this, we are also asking them to collect food to donate to the Utah Food Bank. We are working hard to make our communities stronger while helping families who are struggling to make ends meet.

2010 is going to be a very busy year with mass meetings, county convention, and then helping out candidates throughout the county. We can only do this with your support. You can help us become stronger by [donating](#) to the Salt Lake County Democratic Party. Any amount greatly helps us, especially if you become a recurring donor. You can also join our Forum 500 and Millennium Clubs. Thank you in advance for anything you are able to

contribute.

One of the most important issues coming up concerns redistricting. We support the efforts of [Fair Boundaries](#). Please check out their website and sign out petitions to help put this measure on the ballot. You can also stop by the State Party office to pick up a petition.

We will also be conducting more Think Precinct trainings in the spring. This program will allow us to focus on a precinct level and elect Democrats up and down the ballot. We are very excited to put this program into action.

Thank you for all of your hard work,

Weston Clark  
Chair, Salt Lake County Democratic Party
