What We Are Working

- County Convention at West High School on April 24th

Message from the Chair

As I was watching Mayor Corroon give his State of the County speech this week, this part really struck me:

"I like to say that it's always a good day when I have mud on my shoes; it means someone is building something in Salt Lake County. Based on the significant amount of time over the last several months I spent at groundbreaking and the mud I had on my shoes, things are getting better."

After a very busy 2009 and an even busier 2010 already here, I think we at the Salt Lake County Democratic Party are going to have to invest in new shoes.

The highlight of December was the election of Ben McAdams to replace Senator Scott McCoy in the 2nd District. We had 4 excellent candidates in Ben, Arlyn Bradshaw, Brian Moss, and Mark Towner.

Also in December we learned that current County Council members Jenny Wilson and Joe Hatch will not be running for re-election. We have some excellent candidates running to replace them and to continue carrying the banner for the Democratic Party.

We are in the final stages of confirming the locations for the Precinct Caucuses on March 23rd, so make sure to check out our website at www.slcountydems.com for locations once they are set. The County Convention is going to be on April 24th at West High School. Precinct Caucuses cost us around \$9,000 to put on, so it would be very helpful if you could help us defray the costs by [donating](#) to the Salt Lake County Democratic Party.

As tax season approaches, I want to remind you to make sure to check the box that donates \$2 to the Democratic Party. This is a vital percent of our budget and a quick and easy way for you to help out the state and county parties.

2010 is full of elections from County Council to District Attorney to the State Legislature and up to the US Senate and Governor races. We really need your

support to help recruit candidates and to support them through Election Day. **Please consider joining our Forum 500 club.** You can sign up on our website and it is as low as \$42 a month. Even if you cannot afford that, any contribution you make will help us elect Democrats in Salt Lake County. Just go to <http://www.slcountydems.com> to donate. It's very simple and vital for us to win in 2010.

Thank you for all of your help in 2009 and I look forward to working with all of you in 2010. And if you would like to read the full transcript of Mayor Corroon's State of the County address, you can find the link on our website.
