

Salt Lake County Democratic Party 2024 Party Platform

**Ratified by County Party Delegates
at the 2024 Nominating Convention on March 30, 2024**

The Salt Lake County Democratic Party recognizes Utahns regardless of race, gender, age, disabilities, place of origin, religion, economic status, sexual orientation, or gender identity.

We stand for all Utah families.

We support fair and representative electoral maps as a foundational step toward upholding the integrity of democratic electoral processes.

We support voting rights and are committed to the sacred principle of “one person, one vote.”

We believe all people deserve access to affordable, quality healthcare, as determined between individuals and healthcare providers.

We support maintaining a full range of reproductive healthcare and full access to gender affirming care.

We support all people in the disability community and their full access and inclusion, and we recognize the vast majority of disabilities are invisible.

We support passage of the Equal Rights Amendment to the Constitution of the United States of America.

We support investing in the health and well-being of military members, veterans, retirees, and their family members.

We believe all workers have the right to a fair wage and to safe and fair working

conditions in their employment. Workers have the right to associate, organize, and advocate for their full potential while ensuring a safe, fair, and accessible workplace through union membership.

We support policies that promote clean air and reduce our water use through responsible environmental stewardship to protect the Great Salt Lake.

We stand for the protection of our public lands, natural resources, Native sacred Lands including the Great Salt Lake.

We support the right of all people to attend safe, quality, pre-K through college, including technical education, regardless of their ability to pay.

We believe that public education and public services must be fully funded.

We support criminal justice reform.

We support gun safety laws that decrease gun violence without violating the principles of the Second Amendment.

We believe in equal rights for all, and we are committed to advocating for equal rights for the LGBTQIA+ community, communities of color, people with disabilities, immigrant communities, Indigenous people, and all marginalized groups.

We stand for equal participation, responsibility, and opportunity for all.
